

The Oakland Avenue Farmer's Market and Garden is seeking 4 to 5 youth between the ages of 12 and 17 to participate in their 2014 Youth Making A Difference Garden Program.

They will train in all aspects: gardening, customer service, running a farm stand, handling money and nutrition. They will also get exposure to other farmers markets. The program starts in April with an orientation with the Youth Grown In Detroit; work days will be Saturdays only in May; in June, Saturday with weekly work days commencing once schools are on summer break. The program runs through September 27th and each participant will **receive a certificate and \$500 stipend.**
